

# SAMPLE SCHOOL BOOK ORDER FORM

Dear Parents,

We're excited to tell you about an upcoming event. On 25th January 2016 author Sue Palmer will visit our school to run a workshop with Year 5 children called ' Could you be an astronaut?' She will also be reading from her new children's book, *May's Moon*, published on 11th December 2015.

*"Michael's legs wobbled underneath him. What if he wasn't any good? What if he messed it up? This wasn't just a dream any more. He really was in America and he really was just about to find out what it felt like to float in space..."*

*Beating thousands of others, Michael May the geeky boy who at home is called 'Micky Moon', is one of ten children accepted onto the 'Children's Moon Program' in Florida. If he can survive the powerful g-force of a space-shuttle launch, overcome his secret fear of water and pass a battery of challenging tests, he could win a place on the next mission to the moon! Some of the others seem willing to do almost anything. Is he?"*

*"Exciting...thrilling...fast-paced adventure!" ~ Billy Bob Buttons author of /I Think I Murdered Miss/ and winner of the UK People's Book Prize*

If you would like your child to have a book signed by Sue or to order books for gifts, please complete and return this form with payment to your child's teacher by 8th January. Sue will sign and personalize each book. Thank you.
